 00:01  
Well, so

 [REDACTED] [REDACTED] 00:06  
I waited for the cops to show up for 10 minutes,

 00:09  
and

 00:10  
never saw him, it,

 00:17  
it seems like they're probably not constantly

 [REDACTED] [REDACTED] 00:18  
going out or they'll be in 30 minutes because they'll have other emergencies to take care of.

00:33

of things. So, we

00:38

might have to look into alternative means, but something's got to be done, because

00:42

I'm getting tired of feeling like I live on a [redacted] race drugs room.
