00:00
Here it is,

00:01
758 78,

00:04
and on. [REDACTED] wanted to say [REDACTED] one more Montana. A couple

00:11
minutes ago.

00:12
I saw the truck come out of a wind road. And he was acting [REDACTED] he's like can you slow driving slow definitely

00:19
looks like he was rubbernecking. And

00:22
he drove off to the nice sound the [REDACTED] the familiar sound of the engine and the guy did not talk about his engine but he did still had

 00:31
his engine would have

 00:32
would be loud if he desired it to me.

 00:35
And then

 00:37
I turned them watch him leave. And then I turned electric to fire and then I turn back and look.
And what was the car traveling right behind him was that big.  F 350

 00:50
that had

 00:51
blasted his way out of, out of indoor, along with Luke Skywalker. I'm  kidding. He's a rebel
fighter was not rebel fighter. He's worked with the Empire, and lost my  Anyway, that's how
I planned out I found out that you know it's not like that No, wait a minute. So it seems to me
that both of those. These trucks are involved in that race and thing came out this morning at
eight o'clock,

 01:16
which is kind of interesting.
