night. And I [REDACTED] wanted to note [REDACTED] that. It's Friday night. I'm 42 and all this side by side it's our TVs ATVs

 00:17  
[REDACTED] they're [REDACTED]

 00:19  
It's all over here

 00:22  
in the background isn't [REDACTED] driving around and around and around and, you know, it's kind of, you know,

 00:32  
maybe, you know,

 00:34  
kind of respect the

respect the desire to, you know, stick it to the man and you know drive a vehicle that's non taxable not regulated. And, you know, that's free, but it does so, at the cost of road maintenance involved environmental ██████████ safety. They're not nearly as safe as motor vehicles the natural proper car, and the noise of them is ██████ really not right. No, sort of ██████████ they're not doing anything. gonna call the cops gonna call the police. I thought about calling sure what's gonna get my mom to it, but I couldn't get her on the phone. And I, at this point I'm kind of hearing I might need ██████ need to go ahead and give up because that's what everyone's doing. And it's ██████ ridiculous.
