SPEAKERS

wanted to and document. It o'clock today, Mr had it really came out and he maxed out the vows he couldn't burn out. And you know that so he's not he's definitely he you know for a while there, we didn't hear nothing out but now he's back. So, this is yeah, this is the same old, same old. And then also today I did see the or RTV friend, and it was I look at a good look better, much better look at it, or I saw, I don't know if it's exactly the same one I'm gonna have to look at that. But this one was black and someone's blue, white and gray. Now it's blue, gray and black, and had all these funky patterns however it was a four seater So, and that one two spots but out of of dirt when we drove out so I imagine it's probably the same guy. So.
