00:00

Yeah, your resume on Monday. No, I don't have my resume on the end. So you won't need to do to buy by tomorrow You want me to have the top 10 places I want to work.

00:13

NASA.

00:19

Here's government, am I working

00:20

Oh,

00:23

[REDACTED] Wyoming, Montana.

00:27

You know, or give me bad working or was it or Idaho, Idaho Oregon. Out of Oregon

00:47

Yukon Northwestern territory,

 00:51  
British Columbia.

 00:55  
That's on the western side.

 01:06  
Yeah that's supposed to be taking place in Utah. Good.

 01:30  
What else you want me to do.

 01:40  
Check the clothes washer works.

 01:47  
Whatever, I don't know what's wrong with the old ones. Yeah.

 01:52  
I looked at the belt and it's got tension, it should be rotating.

 02:03  
That's what I think is I think it all got to one side is what happened.

 02:08  
Also dive in. And then

 02:15  
when you can rebalance it is  right there in the legs. Okay.

 02:25  
We'll all go live. Okay. Nope, never.

 02:53  
Okay, can we get, let's get to it now

 03:03  
going to need a haircut on Monday.

 03:12  
I'm fine. Let's move on. I'll take care of it.

 03:19  
parasitic infection, [REDACTED] reactions. Okay. Ask your doctor about nucala at home. Find your new normal.

 03:32  
Things that are

 03:34  
new. They're not long.

 03:38  
Okay, so I got my take care of those. Okay.

 03:43  
All right. Thank you. All right, that's good. Okay.

 03:51  
Let's finish it. To start, okay. Never

04:11

mind. I want to tell them how to get up there. Don't want to do a full thing like that, that mine was run dry long before they closed it

04:21

says there's another.
