SUMMARY [REDACTED]

life, destiny, bold, waited, destined, knew, meeting, exists, care, loose, pile, deeply, contact, women, older, potential, change, possibility, [REDACTED] mouth

00:04

During the meeting a girl

00:06

dream to mean meeting someone

00:10

and

00:14

meeting someone that that would change that changed me, that would change things that changed my life.

00:21

And

00:25

would make some things.

00:28

Reasonable women would be the change

 00:33
that I wanted to see my life.

 
And

 00:39
for a while there I thought I

 00:41
thought I found her.

 00:46
And I deeply loved her.

 00:49
And

 00:51
I don't ever think she really knew it. And

 00:59
maybe,

 01:02
maybe she didn't care.

 01:08
Maybe she really  didn't care.

 01:14
And

 01:16
for a long time I

 01:19
waited,

 01:21
and waited to see if anything like her would come along. If anything, possibly better could go on and

 01:32
it never did.

 01:38
And whether that

 01:40
was because I was

 01:45
waiting on her or whether because I was holding back because of her. I don't know, maybe that potential is out there maybe that possibility exists but

 01:59
in the end

 02:03
is over. She

is over. she

02:11

eye contact, I tried to contact her try to get in touch with her, and she didn't want anything to do with me. She cut me completely loose.

02:27

I didn't even really even get to say hi.

02:32

once you knew how much you cared about her. She didn't want to have anything to do with me.

02:39

And then she

02:42

got married to another guy.

02:45

I didn't even know about it, I found out through of mouth

02:50

on accident.

02:54

And she won't have. She has no part in my life she was not anything to do with me. You know,

03:08

no one should have to go through that.

03:14

No one has to should have to go through being absolutely, totally abandoned like that

03:21

is not the first time it's happened in my life.

03:34

Maybe,

03:38

I don't know.

03:40

The older I get, the less I believe in destiny that we are destined

03:47

to be with someone.

03:49

Right now, that seems like a pile of ████████

03:54

Bold bold manure.

03:57

But, Yeah.
