Yeah, they're now two or five it's about 1015 minutes straight discharging of firearms and repeted repetitive action. Some of them are high powered some of their pistols. I don't know, he really can't tell. But definitely doesn't sound like a 22 year old. It doesn't sound like do I do it sounds like, which usually is indicative of a larger [REDACTED] But yeah, it's been about 15 minutes of it now, and it's up to you know to five in the morning now. And [REDACTED] by walking around the property and trying to return back to my place of residence. I can now tell you for sure that it's not it's not originally is originating from the headache form. That's where it's originating from instantly everything from how to farm. And, you know that area of the woods, anyone surprised me no. So, that's another thing. As around here.
