It's now 230 In the morning it's 2:30am, and they [REDACTED] seem like they [REDACTED] stopped. There is obviously a pack of dogs around here, or a or somebody that is keeping too many dogs and too confined to place.

00:24

And they were up every night, about this time. And I'm saying there's probably five or more dogs, and they get riled up like this. And this is not news to not be this way this is [REDACTED] a recent occurrence,

00:46

and you can almost hear like somebody's voice in the background of all that, [REDACTED] highly suspicious behavior. And I don't know who owns them or whatever but that's [REDACTED]

01:04

No one can get sleep like this, Like this is ridiculous. It's at least five. Anyway, I'm suspicious of it being like dogfighting because that's what it sounds like to me.

01:25

But either way to, you know, for everyone to hear that from the [REDACTED] neighborhood, it's [REDACTED] it's ridiculous. You know we used to live in a nice place.
