

# Untitled Note

Sat, Dec 25, 2021 [REDACTED] 1:06

## SUMMARY [REDACTED]

pastures, natural resources, cattle, secure, farmers, change, [REDACTED] newer

---

00:01

must begin the need to. Thus the need for cattlemen and farmers to move away from cattle drive driving cattle to newer pastures to new land.

00:21

That was the the that change to [REDACTED] or securing the natural resources that one possessed. Thus, without the ability to secure one's natural resources one is and without the ability to to secure Natural Resources one is simply lost should
