western civilized, sincerity, called, protect, pertinent, considered, basic tenet, blade, charity, care, kindness, fact, concern, citizen, reason, session, weak, discussion, human

00:02

Protect the knee protect these are the called on man seasons that we're getting your time it's by most people's referred to as simple charity, kindness, sincerity, concern for your brother man. Whatever, whatever you may call it. In general, it is considered to be a basic tenet

00:37

of Western civilized culture and the reason it's called upon for all of us community to do this, it's part of minority religions. Part of being human being a good citizen, and a good behavior. But none of this is really a matter of fact. This is really pertinent to the session on the discussion is we taught to take care of those who are too weak, to humble to blade or to kind to take care of and protect themselves. So
