SUMMARY [REDACTED]

sixteenths, scag, diameter, eighths, bolt, mower, model, bold, inches, seconds, gun

00:01

11 34 is the first three digits of my the SCAG model the screw on the back of my my mower my gun is a five eighths fine thread this thing looks like it's gonna be bigger than looks like it's gonna be pretty like 2430 seconds on content. So it's gonna be

00:34

probably 11 sixteenths maybe maybe 13 sixteenths size bolt it's massive bold so and it's probably like three inches in diameter probably four maybe. So. Yep. All right let me swing call Marienburg now that's about it.
