Mr. Bill Dayton. Mr. Dayton. All right here today to try to find try to find it, get some information and find out what, what was going on what went on and [REDACTED] trying to find out. I'm [REDACTED] trying to do some things. I need some answers. Do I [REDACTED] need some answers? I [REDACTED] need I had some questions. I need some answers. And I'm trying my best to find the answers. But there's some things that occurred before the death of your father that [REDACTED] don't make any they don't make sense and they've had a drastic impact on our life. And in a [REDACTED] way. They've had extremely big impact on our lives and they've had a [REDACTED] impact on our lives. And we're, we're not left with many options. And because of what happened we've not been left with many options. And we find ourselves placed into in a very bad position because of what happened but they were [REDACTED] some some we don't know quite what happened. When. All right, well, positive
