## SUMMARY [REDACTED]

absorber, roof, solar panels, government, pay, subsidized, cars, pointed, [REDACTED] taxpayers

---

00:00

nobody's ever [REDACTED] like announced something else or pointed out to this guy and said, You know, I'm talking to this guy, this guy. That sign I said, Dude, it's a [REDACTED] mess. It's a [REDACTED] mess. You know, I [REDACTED] I [REDACTED] tell this guy this and he's like whatever and I said we said you're gonna so notice that he doesn't even have solar panels on his roof.

00:19

The guy doesn't even have solar panels on the roof yeah

00:29

so there's gonna be an absorber of cars once you pay. Yeah, that's where the cost is going to come from? Well, it's government. It's a government set and said it's the government subsidized so it means like the taxpayers already paying for it. It's already coming over taxes.
