Untitled Note

SUMMARY

drove, spitting, identification, responding, extremely, miles, locked, imagine, tro, direction, noticed

SPEAKERS

124 on Tuesday and after some nerve racking, driving and doing whatever they were out here I noticed in the identification of two tro two cameras at pointing directly your house. I have now I am locked up the miles I was doing. I was actually responding to an email at which point I them make that noise. Make this in spirit. And then they drove off and I can only imagine that was spitting in my direction. They're extremely hateful people.
