Oh 645 and trying to go in there is to [REDACTED] so we'll see what happens. But yeah, wrote a letter to finish the letter I wanted to write to Dayton and his well Dayton's kids write that and get it set up because it doesn't make any sense. Doesn't make any sense at all like, situation we've been put in. Flat out me. And it's awful. I think even if like even if Matt was directly involved in this, I think we would have an easy lawsuit. So that is the revving and the engine here comes a truck playing the rap music there it goes. And see this is what I have to live with right here. That's it. And I live inside of [REDACTED] a brand new [REDACTED] truck has been modified. Extremely Loud. It was [REDACTED] not helpful. We didn't ask for that. But that's what we've been doing. I haven't [REDACTED] a lot of amount of at least lately and we found a building permit has been filed with the county for a trailer to be installed on Mr. Simmons property. So now like you hear him tear off. Now so now it's like he's not gonna sit there and build this big house. Now he's gonna sit there he's cleared on all this land dollar [REDACTED] and they're gonna slap a trailer on it which is going to decrease the value of property and make make it look worse make everything look worse. So they dump all this [REDACTED] for [REDACTED] trailer I see that rageous you know? So, I mean, I've really we really have a pretty good case to sue the living [REDACTED] out. Of these people so

[REDACTED] [REDACTED] 02:45

I mean, it [REDACTED] gets worse and worse.

[REDACTED] [REDACTED] 02:57

More hypocritical than it really, really is.

[REDACTED] [REDACTED] 03:11

And here's this other big loud astrak

████████████████████ 03:18

And that's that one's probably like your that I mean, that's ridiculous. That's the ██████ I now live beside. This is absolutely ridiculous

████████████████████ 03:38

you know, I really like I really loved where I lived. But these people have ruined it and they've ruined it on purpose. And that's ██████ the that's wrong. Like but we've worked ██████ we've worked very ██████ for what little we have. We've worked ██████ to the most for what little we have. And you know to capsule leave, he screwed over and have someone like take a dump on everything you worked for. That's not That's wrong. That's wrong beyond all measure.
