Currently it's three o'clock now on Wednesday, and not Wednesday. Currently, it's three o'clock now on [REDACTED] And I [REDACTED] wanted to make a note of this. You know, to be fair, but um, today was the first day I've seen where Doug went out in the official fireman Parkmobile dug left and it was at he left at two 2pm So that was an hour ago. So, I guess you know he's going in for work or whatever. I have seen the farmer vehicle parked at [REDACTED] for him to do grocery shopping and the like, So, you know, there's one time I saw you go and he was heading out of town. it was going you know, hitting 9041 94 [REDACTED] Instead of heading out [REDACTED] the interstate. So there's one we know that.
