for 1014 on a on Wednesday, December the 14th and we [REDACTED] had a brand new height, dual cab, F 350 Come down the road and then he stopped in front of it like stopped in front of our driveway. Stayed there for a few minutes and stared and then like I was off doing my stud, I was off working on a pair of pliers trying to get lubricated and whenever there incidents I squirt went into the spray the lubrication for the wires. He rubbed his engine up and pulled off pull out went down the road. About 30 minutes later here it comes back out. Brand new [REDACTED] F 350. I'm gonna start getting the license numbers of these guys
